

Dear Bradley,

Congratulations: Inglewood Imaging Center has made the 2011 Inc. 500|5000 list of the fastest-growing private companies in America.

This achievement puts you in rarefied company, especially if you consider that there are nearly 7 million private, employer-based companies in the U.S.A. The elite group you've now joined has, over the years, included companies such as Microsoft, Timberland, Vizio, Intuit, Jamba Juice, Oracle, and Zappos.com. In fact, many of today's most successful U.S. companies received their first national recognition when they appeared on the *Inc.* list.

This kind of accomplishment is truly worth celebrating. The [30th Annual Inc. 500|5000 Conference and Awards Ceremony](#) will be held September 22–24, 2011 at the Gaylord National Resort and Convention Center in Washington, D.C.

For details or to reserve your place, visit inc5000conference.com or call us at 866–901–3205.

We will be coordinating a major public release of the list on August 23 and request that you please refrain from any public announcements about your inclusion until then—particularly since information about each company's official rank will not be available until that time. By mid–August, more information—including your company's rank—will arrive by mail in your official honoree package.

I look forward to congratulating you in person in Washington, D.C.

Sincerely,

A handwritten signature in blue ink that reads "Jane".
